The Cellar Rats Port & Sherry Festival is held in aid of Woodland School & Happy Acres in Magaliesberg.

The Port & Sherry Festival, is an outdoor event and is held on a large country estate in Magaliesberg, approximately 35 minutes drive from Johannesburg. Loads of rolling lawn & large trees, and a river to stroll along, make this an ideal setting. This is a family festival, with supervised entertainment for children while the parents relax and enjoy the wines in the countryside. Wood fires will be lit if the weather is cold.

Designated Drivers get in free

Designated Drivers get in for free. We introduced this policy at our inaugural Spring Wine festival in 2001 and to our knowledge we are still the only wine festival that offers this to our patrons.

Please Note

In support of the school fundraising, no cooler boxes, picnic baskets or braais will be allowed in - refreshments & food will be on sale. Please bring your own blankets & chairs.

Meal Information

"Winter" food, refreshments (coffee, hot chocolate, soft drinks, water, beers, wine etc), and tuck shop sweets, crisps etc will be available at the venue.
